

RECORD TRIP BETWEEN TONOPAH
AND MILLERS IS MADE YESTERDAY
AFTERNOON BY RUNAWAY TRAIN

Record time was made by a runaway train between Tonopah and Millers yesterday afternoon, but outside of causing the railroad officials several minutes of anxiety no damage resulted. The train stopped of its own accord, probably from force of habit, after reaching the Millers yards.

The regular afternoon ore train broke in two at about 3 o'clock during the afternoon at a point just this side of the Cash Boy. The caboose and thirteen empties constituted the runaway portion of the train. The rear brakeman, after noticing that his portion of the train was running wild attempted to set the brakes before the air escaped, but was unable to do so. The cars had proceeded but a short distance before he was thrown from the caboose while rounding a curve. He was uninjured.

Millers was notified of the occurrence and a switch set, turning the cars into a siding. By the time the runaway reached the mill city the momentum had been lost and the train was stopped without difficulty.

That the train was traveling at express speed was testified to by a person who happened to be at Columbia Junction. In reporting the runaway he declared that the train consisted of but one caboose and one ore car and was firm in his statement as to the length of the runaway section. At first it was believed that the remaining twelve cars had left the track, but the later reports from Millers contradicted this assertion.

The break in the train occurred below the "derail" so there was no opportunity to stop the runaways until Millers was reached. Fortunately, no other train occupied the track or a serious wreck would have occurred had this been the case.

BIG LEAGUES IN
EAST OPEN THE
SEASON FOR
YEAR 1913AMERICAN AND NATIONAL TEAMS
PLAY GAMES IN FIVE
EASTERN CITIES.

(By Associated Press)

NEW YORK, April 10.—With two scheduled games at Chicago postponed on account of rain and another at Cincinnati prevented by wet condition of the grounds due to floods the National American leagues opened the 1913 baseball season today in five cities. The Boston Nationals played at New York, and the Brooklyn at Philadelphia. Of the Americans, Detroit was at St. Louis, Philadelphia at Boston, and New York at Washington, where President Wilson was to pitch the first ball.

NON-MILITANT SUFFRAGETTES
INCORPORATE AND ARTICLES
ARE FILED WITH COUNTY CLERK

The Nevada Non-Militant Equal Suffrage society, recently formed in Tonopah after the members had refused to acknowledge Anne Martin of Reno as president of the Nevada Equal Franchise society, will conduct all affairs hereafter under the corporate seal of the organization. Articles of incorporation of the new society have been filed with County Clerk Pohl.

The principal place of business is named at Tonopah and branches may be established at various places throughout the state as the board of trustees may designate. The corporation is not formed for profit and the object is best described in the following clause:

"The business, object and purposes for which this corporation is formed is for the purpose of disseminating over and throughout the state of Nevada information and educational matters for the advancement of the principles of equal suffrage of males and females."

The corporation shall have no capital stock but shall consist of members, which said members shall consist of women only, who shall declare their beliefs in the objects of this society, and shall pay into the same the sum of one dollar per year, and have such other qualifications as shall hereafter be prescribed by the by-laws of the corporation hereinafter adopted."

The names of the original subscribers, all of whom reside in Tonopah, are Sadie Archibald Gillespie, Rose M. Keeler, Jean Stewart Tallman, and Odessa Davenport. The corporation is limited to an existence of five years.

The local branch of the Nevada Equal Franchise society differs somewhat from that of the newly organized association, in that males are eligible to membership.

DIRECT ELECTION
OF PRESIDENTS
URGED BY
HOBSONFOUR AMENDMENTS TO CONSTITUTION ARE INTRODUCED
IN THE HOUSE.

(By Associated Press)

WASHINGTON, April 10.—Four constitutional amendments were introduced in the house today. One by Hobson provides for the direct election of the president and vice president who are nominated by direct primary for a single term of seven years; one by Bartholdt limiting the president to two terms of four years each; one by Kahn giving congress power to grant and protect the regular use of trademarks, and one by Neely providing for the popular election of United States district judges every six years.

OF ANXIETY.

(By Associated Press)

ROME, April 10.—At noon the condition of the Pope was much better but the weakness of the heart and an intermittent pulse still caused anxiety. The doctors permitted him to take an egg with broth but he was able to do so only with difficulty. Some of those surrounding the Pope assert the situation is grave. A thunderstorm accompanied by a heavy fall of hail disturbed the Pope this morning. His nervous system has become very sensitive since the beginning of his illness.

TWO DEPUTIES
REMOVED FROM
COUNTY PAYROLLRECORDER GRIMES REFUSES TO
COMPLY WITH ORDER CUT-
TING DOWN FORCE.

The board of county commissioners completed the regular monthly session yesterday afternoon and adjourned until the first Monday in May. The principal business transacted during the present session was the action taken yesterday morning in reducing the office force of the treasurer, auditor and recorder and sheriff offices.

In the treasurer's office Mrs. R. F. Gilbert, who has been deputy treasurer for the past eight years, was removed and hereafter Treasurer Mannix will be compelled to transact the office business without assistance. Deputy Assessor Jack Myles was removed from the pay roll of the sheriff's office. Myles is now out assessing and will be informed shortly of his demise.

The commissioners' order to Auditor and Recorder Wm. M. Grimes to discontinue with one deputy, has not been obeyed and Grimes declared today that it would be impossible to reduce his force for at least three weeks or a month. His office, he declares, is swamped with location notices to be recorded from the Republic and Willow Creek districts. In addition to many property transfers in the town of Tonopah, Grimes declares it is possible he will have to pay one deputy out of his own pocket and that he will not reduce the force until the work in the office has been caught up and there is no danger of further congestion.

AGE CONGRESS HOLDING
ANNUAL SESSION.

(By Associated Press)

ST. LOUIS, April 10.—The National Drainage congress began a three days session here today. The chief work will be the preparation of a bill to be introduced in congress providing for a comprehensive plan of drainage and flood protection. A telegram from Senator Newlands of Nevada asked the congress to adopt a policy for the treatment of rivers broad enough to meet the situation as emphasized by the recent disasters. President Wilson in a telegram hoped that a long step forward would be taken.

WOMAN SUFFRAGE IS
DEFEATED IN MICHIGAN

DETROIT, MICH., April 10.—Woman suffrage in Michigan generally was conceded hopelessly defeated in Tuesday's election, when scattering returns received from the rural districts of the state did not tend to materially decrease the big majority rolled up against the amendment. Its opponents declared today the amendment failed by 25,000.

TAX BOARD TO
SOON PAY VISIT
TO THE SOUTHMEMBERS OF NEWLY APPOINTED
COMMISSION WILL PAY
VISIT TO TONOPAH.

Tax commissioners Colburn and Boyle and L. F. Anderson, secretary of the board, returned this morning from a trip to Sacramento, where they visited the California tax commission board for the purpose of acquainting themselves with the work of that body, says the Gazette. The California board is similar to the Nevada tax commission, and some valuable information was obtained by the Nevadans.

Commissioner Boyle and Secretary Anderson will leave this afternoon, the former going to his home in Virginia City and the latter to Carson City. Commissioner Colburn will remain in Reno for a few days.

Within the next 10 days the commissioners expect to leave on a tour of the state and on this trip will conduct the first active work of the board. The various boards of county commissioners will be visited, conditions existing in the different counties will be investigated and a general plan of action decided upon. The board will come first to Reno and thereafter will visit Tonopah, Goldfield, Las Vegas and the principal cities and towns. Before the trip is ended it is planned to visit every county in the state.

BOXERS MEET IN
TEN-ROUND GO
THIS EVENINGLOCAL FANS WILL BE PROVIDED
WITH PLENTY OF AMUSE-
MENT TONIGHT.

With both fighters in splendid condition Jimmie Welch and Kid Morgan will meet tonight at the Nevada theater in a ten round boxing contest. The affair is being staged under the auspices of the Volunteer firemen. A six and a four round preliminary will precede the main event.

Welch and Morgan are in condition to put up a splendid exhibition of boxing and the mill has every prospect of being of the whirlwind variety. Welch can be depended upon to fight from the start, while the backers of Morgan declare that their man will meet his opponent in all the fighting. Both boxers have been training for the past two weeks, daily workouts having taken place at the volunteers' gymnasium. Fans who have watched the performances are equally divided as to their choice for a winner.

MANY NEW YORK
BROKERS SHORT
ON JIM BUTLERCHRONIC SHORTS ARE FORCED
TO DIG UP TO SECURE
STOCK FOR DELIVERY.

That the New York brokers are short on Jim Butler stock and are being forced to dig up in order to secure the stock is the opinion of the New York Mining Age. The Speculator, writing in that paper, has the following to say regarding the sudden rise of this security:

The recent advance in Jim Butler for instance has caused severe losses to those who were short of stock at about half the present market prices. These chronic shorts have had everything their own way for so long that they regard it almost as a personal affront that Jim Butler should behave in the way it has. There is likely to be a recurrence of the trouble that caused an adjourned meeting of Tonopah crowd to the Curb association offices some months ago. There is not enough stock to go around and either there will be a big "buy-in" fest or a pair-off-match. The shorts have been waiting for a slump in "Jim-a-da But" to save a slice or two of their bacon, but it would appear that they will have to walk up to the trough and disgorge some of the gains they have piled up in the last three or four years. Probably this lesson may do them some good, showing them the error of their ways, but I fear some of them are destined to live and die chronic bears. The market can't go one way all the time.

ORE CARRYING
LEAD AND SILVER
NEAR KLONDYKESPRAGUE LEASE ON LEE PROP-
ERTY HAS THREE FEET
OF ORE ASSAYING \$55.

That lead-silver ore valued at \$65 a ton is being extracted from a ledge 2 1/2 feet in width at Klondyke, was the assertion of Lloyd Lee of the Model cigar store today. Lee visited the district yesterday and declares that recent work has uncovered a ledge producing pay ore in quantities. The discovery was made on the Sprague lease on the property owned by Frank Lee. This property is located about three-quarters of a mile from the Golden property.

Eight leases are now being operated. On the Sprague lease a stringer was followed from the surface and at a depth of 40 feet the ledge shows up over three feet in width. Fifteen tons of ore were shipped during the time the sinking was in progress, and who returns averaged \$55 to the ton. Lloyd Lee has arranged to secure a lease from his brother and will soon start operations on a large scale.

ENJOYS FIRST
VACATION DURING
PAST FOUR YEARSMANY STRANGE SIGHTS ARE ALSO
TAKEN IN BY I. F. DAVIS
IN HIS TRAVELS.

I. F. Davis, the socialist member of the Nye county delegation in the lower house of the legislature, after spending the past few weeks in California after the adjournment of the law making body, returned to Tonopah today. This was the first vacation Davis enjoyed in four years and during his absence he took in the sights of San Francisco, Los Angeles and other coast cities.

Davis was somewhat reticent today regarding his travels or his actions during the absence, but he vehemently denied having purchased any gold bricks, silk waists or apartment houses. The vacation appears to have agreed with the law maker, but appearances indicate that it will be some time before he will be able to get down to business. In the meantime he is being kept busy greeting his many friends.

SMALL SUM OF
QUARTER MILLION
PAID OUT TODAYREGULAR MONTHLY PAY DAY
WITNESSES TRANSFER OF
HUGE SUM OF MONEY.

Tonopah today is witnessing the distribution of a sum in excess of \$250,000 by the various mining and milling companies of this district. This date is the regular monthly pay day of the companies and as a consequence over a quarter million dollars has been placed in circulation. The larger mining companies have been kept busy since early this morning handing out the pay checks, while the merchants have been even busier cashing the checks.

There is no doubt but that the pay day is the largest ever witnessed in Tonopah as more miners are employed than at any time previous in the history of this camp. It has been estimated that the amount paid out will run as high as \$300,000, although the more conservative place the total sum in the near neighborhood of \$250,000.

ARTICLES INCORPORATION
FILED PLACER COMPANY

Articles of incorporation of the Porter Placer company were filed today at the office of County Clerk Pohl. The incorporators are E. K. Pittman, H. H. Twining and E. J. Trenwith. Tonopah is named as the principal place of business. The company is capitalized at \$500,000 with a like number of shares at par value of \$1 each.

WOULD SELL LANDS
BACK TO GOVERNMENT

(By Associated Press)
NEW YORK, April 10.—On behalf of the Southern Pacific, Julius Kruttschnitt today offered to sell back to the government at the price of grazing and agricultural lands 4300 acres in Kern county, Calif., which the government alleges contains oil and were obtained by fraud. The offer was declined.
